Just for clarification, what does "cds" mean under the 104e section?

Thanks!

THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

ORC update 1/26:

I. Cabot's Counsel: Humane Zia spoke with Cabot's counsel (Amy Barrette & Ken Komoroski - "Fulbright") this afternoon regarding the following:

104e response:

Fulbright reported that they expect to provide further responsive information (all Site data collected by Cabot in the past) in 10-20 cds in the next week.

Meeting:

No info yet. Cabot's other lawfirm ("Bracewell") has been tasked by Cabot to work on some parts of this matter, possibly including setting up the meeting Cabot requested w/ EPA. Fulbright will communicate with Bracewell and one of them will get back to me. Fulbright said that they would prefer that EPA is in possession of all of Cabot's data before having the meeting. I agreed this is a good idea.

Communications:

I asked Fulbright to convey to Cabot that technical questions/issues be directed only to Rich Fetzer, and legal issues be directed only to me.

Data: Fulbright questioned the specific sources of the data (Cabot, PADEP, residents) we relied upon in the Action Memo, whether the values "actually exist", etc. She is trying to track down for Cabot where each value came from, and requested that we get back to her on this. She asserted that the residents' data contained errors.

II. Other

Kate Sinding of the NRDC called to advise that they will be sending a FOIA request for documents provided to/received

from PADEP. They have sent a similar request to PADEP.
